The City of Buffalo's Public Market, the Broadway Market, is open year round for your shopping enjoyment. The market is 129 years old making it one of the oldest public markets in the United States. Known for its Eastern European fares, the market offers fresh meats, poultry, fish, ethnic delicacies, delicious baked goods, produce, spices, wines, jams, jellies, oils and vinegars for your next cooking adventure.

Throughout the year the market has special events that highlight the market's offerings including a November Wine Festival, Holidays @ the Market in December, our increasingly popular Polka, Piwo and Pierogi event in January and the market's Easter Festival which draws over a quarter of a million people annually.

The Broadway Market is the anchor to the Broadway Fillmore neighborhood and proudly serves the City of Buffalo and Western New York Families the finest in local foods.
