COMING SOON! BROADWAY MARKET RENOVATION PROJECT

LOMBARD STREET

Broadway Market officials just kicked off a design process to reimagine the Market's interior and exterior. The resulting plans will lead to a large-scale renovation of the building, vendor stalls, other amenities and surrounding streetscape.

There will be a series of events throughout the design process to hear your thoughts about the future of the market. But if you want to get a head start, scan the QR code to sign up for project updates.
